THIS IS UNEVALUATED INFORMATION

25X1

It has been verified, that a 145 meter high antenna designed for jamming broadcasts from abroad at 135 kw is being built at Balatonszabadi, near the Lake Balaton Highway between kilometer markers 108 and 109. The construction was to be completed on or about 12 November 1952; however, the jamming station will not be ready for operation before February 1953.
